

Easter 2012 - Celebrating the Resurrection of Jesus

Easter is a time to celebrate the resurrection of Jesus and the good news of salvation. For students it is also a time for a welcome mid semester break from the rigours of study. The Annabel Charitable Foundation's (The ACF) mission is to serve God and the Christian church by providing financial assistance to students undertaking theological training. When people study to equip themselves for ministry they carry a vision of what that ministry will be like after the completion of their studies. This fuels their determination to continue down the hard road of study. Students try to communicate this vision to us in their scholarship application and our hearts are excited at the prospect of more people being reached with the good news of Jesus. What a pleasure and delight to journey alongside these students through their season of preparation before being unleashed into their next season.

We are delighted to update you on one of our scholarship couples who have finished their training and are now out in the field putting their vision into practice. God placed a vision in Dave and Ruth Muller's hearts to work in an orphanage in China. They realised that to be as effective as possible they required training. So began the long haul of deciding where, when and what to study and then the challenge of actually completing their study with CALAM Training in Queensland, while supporting themselves financially and raising funds. The sweat and tears paid off and they completed their study at the end of 2011. Dave and Ruth were accepted to go to China and are now working in an orphanage with new challenges of coping with culture shock, learning the language and developing new relationships.

We give prayerful thanks that the ACF has partnered with Dave and Ruth on their journey and have been able to maximise some of their financial support by offering tax deductions for donors. We have been encouraged that the ACF continues to receive financial support from the Christian community which enables us to fulfil our desired scholarship goals. We again highlight the benefits of our tax deductibility for those who are giving to benefit students undertaking ministry training. We encourage you to consider the ACF when making your next donation to assist someone to fulfil their Christian training vision. The deductibility available through a donation made with the ACF gives the donor the opportunity to increase their overall giving or utilise their deduction in other ways.
