### **SERVICE FEE ANNOUNCEMENT**

Dear ACF Partner

I am writing to thank you for your ongoing support of the Annabel Charitable Foundation. The ACF has been in operation since 2008 and relies on the support of donors and theological training institutions like you to achieve our mission of serving God. This is done by providing assistance to students to maximise their financial support as they are professionally trained in spreading the Gospel of Christ's love.

Since the commencement of the ACF there has not been any service charge levied against donations received. The administration and promotional expenses of running the Foundation have been met by the ACF Founders.

A recent strategic review by the ACF Board determined this was unsustainable and excessively limiting as we endeavour to promote the work of the Foundation across Australia.

The ACF Board have therefore decided that a service charge of 10% will be levied on all new donations received commencing 1<sup>st</sup> June 2014.

The funds generated by the service charge will be used to meet operational expenses which are always kept to an absolute minimum wherever possible. The service charge will also allow us to:

1. Undertake a revitalisation of the ACF website which will incorporate the inclusion of materials for bursary recipients, potential donors and also training institutions.
2. Incorporate online donations via our website.
3. Fund further work by the ACF team to engage in partnership with a greater number of theological training institutions around Australia.
4. Provide additional support to students by mentoring them in engagement with their supporter base thereby maximising donations via tax deductibility.
5. Produce electronic and hard copy manuals for bursary recipients, churches and training institutions.

We are very humbled how God has blessed our ministry during our first 6 years of operation. We look forward to continuing our partnership with you and praise God for your generous partnership with the ACF.

Should you have any queries regarding the service charge or the ACF's operations more generally please do not hesitate to contact me at [bruce@theacf.org.au](mailto:bruce@theacf.org.au) or 0414 398 257 or our Administration Manager Geoff Annabel at [geoff@theacf.org.au](mailto:geoff@theacf.org.au) or 0410 471 504.

Yours In His Service
