# Financial help for ministry training

*Supporting Ministry Students*

## Supporting Christian ministry students

The Annabel Foundation seeks to serve God and the Church by providing a channel through which donors can receive tax deductions on their gifts to students seeking or undertaking government approved Christian training.

We aim to assist in the development of Christian workers in Australia, by receiving donations which are then disbursed to support endorsed students financially, thereby encouraging knowledge and growth in the church.

## Preparing for a career in Christian ministry

A career in ministry is a fulfilling and worthwhile calling. It requires commitment and aptitude and a sense that this is the direction God wants you to go in.

The decision to take this step depends on a number of factors and one of the barriers is the cost of the course fees and how these are to be funded.

For many students, there is a pool of support from the church and friends to encourage you in your ministry training.

The Annabel Foundation can help increase this support by providing a channel through which they can claim tax deductibility.

If you are training, or planning to train with an approved provider we can amplify the value of the gifts.

*“To prepare God’s people for works of service, so that the body of Christ may be built up.”*

*Ephesians 4:12*

## Increasing support for ministry education at no extra cost

*The Annabel Foundation collects and distributes donations for endorsed students.*

Donations can be allocated to applicants endorsed by the Annabel Foundation’s Scholarship and Bursary Fund Committee.

Australian Taxation Office regulations prohibit tax deductibility on donations where the final bursary recipient is a family member of the donor.

Donations can also be held in trust and disbursed to approved candidates attending your recommended training provider once applications are received.

All donations received are allocated at the discretion of the ACF Scholarship and Bursary Fund Committee.

The Scholarship and Bursary Fund Committee is happy to receive recommendations for consideration as to the disbursement of the donation(s).

Recommendations can be for students at a particular endorsed training provider, a specific endorsed student or in support of the work of the Annabel Foundation generally.
